WELCOME TO LA RIOJA

Welcome everyone to this wonderful land that is La Rioja.

La Rioja Bike Race brings us together, one more year, in an event of enormous national and international sporting importance. As Riojanos we are proud to host this race, the most important of La Rioja in this sport.

For those of you who repeat, I am not going to tell you anything about the landscapes that you are going to find in these 7 valleys that make up La Rioja. From the vineyards of the Ebro valley to the beech forests and spectacular forests of the mountains, in an ideal moment of this green spring.

Those of you who are new to this event will be able to discover the number of possible trails and bike routes that combine Logroño, the capital, with each of our villages, forming an unbeatable setting for the sport. And, above all, you will get to know what we call “living in the Rioja style”, which is to enjoy in a peaceful and close way this land that offers us products of the highest quality and the people who will welcome you and open their doors to you with affection.

I hope you all enjoy La Rioja and are able to offer us your highest level of sportsmanship.

Jose Luis Pérez Pastor

Regional Minister of Culture, Tourism, Sport and Youth of the Government of La Rioja

Logroño is a crossroads, a meeting point, a happy and dynamic city that offers visitors and athletes many natural and food and wine attractions, along with quality trade and the best cultural offerings, to make any visit an experience to remember.

The passage of La Rioja Bike Race brings together the best cyclists of the international mountain bike peloton in Logroño, a city that will have the luxury of having a great sporting event that will allow us to enjoy cycling at the highest level.

We are facing a noble sport, cycling, a sport that requires hard work, discipline and sacrifice, whose athletes deserve all our recognition, respect and admiration. For all this, with great gratitude, I welcome you to our city and our environment, inviting you to be ambassadors of its treasures.

Conrado Escobar

Mayor of Logroño

Bike Race Section

What are the Bike Race by GARMIN Segments?

It is a classification in which the fastest riders will be awarded in very specific and marked segments within each stage. The times of the three stages will also be added up and a final winner will emerge.

In the following **video** we explain it to you! 

At the end of each stage the winner and winner will be presented with a set of **GARMIN merchandising products**, in addition to the leader's jersey for the top of the classification.

The winner of the general classification of the Bike Race by Garmin segments will be awarded with a **Garmin Edge 540 GPS**.

How to participate in the Bike Race by GARMIN Segments?

1. Be registered in the Andalucía Bike Race.
2. Be a follower of the [STRAVA club](#).
3. Have your profile open in STRAVA or make public the activity in STRAVA, the same day of the stage just to reach the finish line, and before 16:00 hours. For the last stage, they must be published before the awards ceremony.

IMPORTANT!

The classification will be valid for all participants.

Those riders who, due to mechanical breakdown or any other circumstance, have not completed any of the stages or violate any point of the general rules of the race, will not be eligible for the final classification.
